Reason for Allowance

1. Claims 21 and 23-31 are allowed.

Claim 21 recites “providing a deposition solution to the tub having the electrolytic solution; depositing a metal by applying a negative potential to the substrate, wherein depositing the metal includes applying a second negative potential to the substrate”.

These features in combination with the other elements of the claim are neither disclosed nor suggested by the prior art of record.

Claims 23-31 variously depend from claim 21, they are allowed for the same reason.
